XTERRA Switzerland Saturday 23th of June, 2018

XTERRA Switzerland is only a few days ahead!

Les Charbonnières, Switzerland. (June 19, 2018)

The 7th stop of the XTERRA Europe Tour, XTERRA Switzerland will take place Saturday in the wonderful Vallée of Joux, in the Charbonnières village. The 8th edition of XTERRA Switzerland will once again feature great courses in amazing sceneries in the Jura mountains, just 45 minutes away from Lausanne and Geneva. Cross-triathlon at its best!

Once again this year, cross-triathlon lovers across the world will race in Switzerland, as almost 600 XTERRA Warriors, including more than 30 elite athletes from all over the world will be there on Saturday.

The day will start at 10am with the short race, the XTERRA Light with a 500 meters swim in the Brenet lake, a 13,5km mountain bike loop and a 5km trail run.

Then the big fishes will follow with the start of the XTERRA Classic at 2pm. Triathletes will swim 1,5km, mountain bike for 27,5km and run 10km before crossing the finish and get their finisher medals.

All the courses give athletes a magnificent glimpse of what the region has to offer in terms of nature. Indeed, the bike course goes across forest with technical single tracks, as well as fields where they can gain speed and enjoy the beauty of the place.

Of course, an XTERRA race is challenging, which is why the athletes will be able to enjoy a great aid station at the finish line with, among the rest, fresh fruits, local cheeses and a large choice of different beverages. Last but not least, every XTERRA Classic participant will be treated to a post-race meal with great food, beer and great camaraderie atmosphere.

Please note that participants can register until Saturday the 23rd, the day of the race! For more information about the race, please check-out XTERRA Switzerland's website: www.xterraswitzerland.ch
